WHY USE

NOBLECARE HOME HEALTH SERVICES?

- ◆ It is the extension of the physician in the home, providing optimal communication between the home care staff, the Patient and the Physician.
- ◆ It encourages the Patient to see his/her Physician on a regular basis.
- ◆ It allows for shorter length of stays in the hospital and prevents frequent hospitalization.
- ◆ It is personalized, tailored to meet the needs of the Patient.
- ◆ It is cost effective
- ◆ It allows persons to remain in their own homes, proud and independent.

NobleCare Home Health Services - provides multi-disciplinary care team including:

Your Physician

Skilled Services Provided

- ◆ Skilled Nurses
- ◆ Physical Therapist
- ◆ Occupational Therapist
- ◆ Speech Therapist
- ◆ Medical Social Workers

Supportive Services

- ◆ Home Health Aides

NobleCare Home Health Services Inc., may be covered 100% by Medicare if certain criteria are met. Your Patient may be eligible for Medicare Home Care Benefits if:

- ◆ You order home care.
- ◆ The Home Health Care Agency **YOU** choose is Medicare certified
- ◆ Your Patient is considered homebound by Medicare standards. Homebound means that it requires a taxing effort for the Patient to leave their home, with assistance for short , infrequent outings. Your Patient may still be considered homebound while obtaining medical care outside the home.
- ◆ Your Patient is homebound and has a new or worsening diagnosis.
- ◆ Your Patient is homebound and has new rehabilitation needs.
- ◆ Services that are needed are intermittent and medically necessary.

Making a referral is as easy as making a phone call. Our experienced staff will handle your referral promptly and efficiently to provide your Patient with all of their home care needs.

Admitting

To Qualify :

- ◆ Patient must be under the care of a physician who agrees to direct your home care.
- ◆ Patient must require skilled medical care
- ◆ The needed service must be reasonable and necessary according to the patient's pay source
- ◆ Patient must be homebound (if required by your payor source)

Home Health Benefits

Allows you to receive professional care in the privacy of your home

Allows those close to you to participate in your care if they so choose

**Services may be covered by :
Medicare, and some
private insurances.**
